Dark grey log coat, dark green vest & bow tie	Ben Ebener	Ben Ebener

### **Nutcracker Dads!**

Thanks so much for volunteering to be a Nutcracker Dad! It is a wonderful experience! There are two weekends of Nutcracker allowing us to have enough seating for our audiences. Please check your assigned performance. On your assigned weekend, Friday night is dress rehearsal and Saturday has a 2 pm & 7pm performance.

AOTA will be providing all costuming for your role. Each Nutcracker family is costumed in specific colors so it is very important that you as a Dad, know what color family you belong to. You will need to go in person to the Mens Warehouse at Jackson Crossing and be fitted for your specific tuxedo. You will need to mention AOTA NUTCRACKER group so that your information is documented accurately.

You will be responsible for your own black socks and any black dress shoes- Tux shoes are not required and are actually slippery on stage.

Attached is the list of rehearsals for your Nutcracker Dad role. It is important to be at the rehearsals with the entire group to practice your parts and the staging of the entire group.
